Your signature below authorizes City Telecom (CITI) to notify your local telephone company of your decision to subscribe to CITI long distance services when **Equal Ease of Access** is available in your area. **Equal Ease of Access** means you will automatically reach CITI when you dial any long distance phone number. For example, every time you dial 1 or 011 (International) plus the area code, your call will be on the CITI network. By signing, you agree CITI will automatically carry your long distance calls.

You must specify below each of the telephone numbers that you wish subscribed to CITI. If you specify your billing telephone number, all associated working telephone numbers will be subscribed. If you only wish to have certain working telephone numbers subscribed, you must separately identify each number with your authorization. Only those numbers which are authorized by you will be subscribed.
